Raimes English Sparkling vineyard at Lamborough Lane, Cheriton. SO24 0JY

Directions:

By car: Turn off the A272 between Bramdean and New Cheriton, at the small cross roads opposite Hinton Ampner village. This is a small road leading to a pair of cottages. There is a parking area in the field in front of the cottages. The vineyard is a short walk up the track to Lamborough Lane and will be marked. There is limited parking at the vineyard itself for those with walking difficulties but you will need to drive up the track. (NB we are not using the vineyard at New Cheriton for this event). Nearest postcode: SO24 0JY

On foot from Cheriton: Head along Lamborough Lane for apx 1km towards Bramdean.

We are offering a very simple experience; come along and enjoy the corridors of vines in a way that suits you. Dogs are welcome. You may like to wander, take some photographs of your family, bring your sketchbook, bring a picnic, anything you like. We will be there to chat about how we grow our grapes and make our award winning English sparkling wine. We will also be pouring samples of our new vintage release, our 2014 Blanc de Noirs. This is a free event for Hampshire Fare's Food Festival 2017. Tastings for adults only. This is a simple event, there is no other entertainment or catering.

We look forward to welcoming you to our vineyard.
